3rd POSIDUNE INTERNAL MEETING

ALEXANDROUPOLI - 09.11.2006

The meeting took place on 09th November 2006 at Alexander Beach Hotel (Alexandroupoli, Grecia) from 5,00 p.m. until 7,30 p.m. The list of participants is reported in the attachment 1.

During the meeting different matters have been discussed. In particular, the following aspects were faced:

1. Phase A

- The ppt presentation relative to the Phase A Conference (on 10th November 2006) has been exposed by the “Chef de File” and shared by all the partners.
- Synthetic Report (Phase A).

2. Phase B

- A preliminary index for the next Phase B Report has been proposed and agreed.
- General issues relative to guide-lines and methodological approaches that will be carried out during the Phase B by the local partners were faced. Here the “Chef de file” has underlined the importance of cooperation and collaboration between partners working on the same topics, i.e. the role of the “coastal vegetation” and the tipology of dunes restoration systems.

3. Phase C

- a. “Provincia di Pisa” has approved the definitive draft of the scheduled project in Gombo area (S. Rossore, Pisa) and the synthesis of this project will be presented and published on the POSIDUNE website.
